"But the LORD is the true God, He is the living God, and an everlasting King. At His wrath the earth will tremble, and the nations will not be able to endure His indignation"

Jeremiah 10:10

Jeremiah lived in perilous times. Wickedness continued to increase, and the number of committed believers continued to decrease. The Lord continued to extend His grace and call upon His people to return to Him. Through Jeremiah, God warned people powerfully of the dangers they faced as they continued rejecting Him. What an encouragement for us today. As our own beloved country slides farther into immorality and secularism, we need to be instruments of truth just like Jeremiah. To accomplish this we need to remember that our great God is the true God who lives eternally. As the King, He remains fully in control of all things. What a great blessing to us on our journey today!
