The God Who Forgives

Jesus Christ gave His followers a pattern for prayer that includes seeking forgiveness daily. The invitation to regular repentance is not a means of renewing our salvation, but rather maintenance plan for our fellowship with the Lord. When we trust Jesus as our Savior, our sins are forgiven forever. The stains from our past, present and future wrongs are wiped from our record; however, we're a fallen people so we continue to commit sin.

Salvation makes a way for us to enter God's presence, while regular confession and repentance keep the pathway well maintained and free of obstruction. The so-called "sinners prayer" needs to be said only once, but a saint will tap into God's forgiveness every day of his life.
