Thank You

Dear Members of First Baptist,

Thank you for being so kind and helpful throughout Paul's illness and death, with your visits, cards, food and especially your prayers. Our family is especially grateful for support from those who helped make the family in attendance feel welcome to First Baptist. The meal provided by the church was delicious.

Bro. Keith was so faithful with his visits to Paul and myself.

Sincerely, Mary Helen Taylor

Next Sunday, November 12, speaking in the worship service we will welcome Matt and Shea Williams. They are IMB missionaries in Southeast Asia. This will also kick off our season of Lottie Moon Offering time.
