Dear God,

Please untie the knots in my mind, my heart, and my life. Remove the have nots, the can nots, and the do nots that I have in my mind. Erase the will nots, may nots, might nots that may find a home in my heart. Release me from the could nots, would nots and should nots that obstruct my life.

And most of all I ask you remove from my mind, my heart, and my life all the “am nots” that I have allowed to hold me back, especially the thought that I am not good enough.
